MISSION STATEMENT

The Gold Coast Woodturners, a chapter of the American Association of Woodturners, was formed in 1992 to promote an awareness of the craft and art of modern-day turning. Each meeting is designed and organized to present woodturning-related programs and projects to the members. Demonstrations are also presented that may be performed by a GCWT member or a world-recognized guest turner. No matter what is scheduled for the next meeting, the results will be the same. Woodturners will gather to share their experiences as well as learn from the experiences of others. All benefit, novices and "old-timers" alike. Beginners learn techniques and styles while the experts reaffirm their skills by demonstrating and teaching.

Gold Coast Woodturner membership benefits include:

- Participation in all GCWT-sponsored activities and demonstrations.
- Weekend workshops to learn new techniques.
- Wood source opportunities through raffles and auctions.
- Tool and supply discounts available from local and national retailers.
- Videotape library.
- Tools and accessories available for loan.
- To support the AAW, the national woodturners organization we encourage our membership to join the AAW and receive the American Woodturner Magazine.
